Wonderful bones in this Bridle Trails gem, custom built in 1974. Replace the cosmetics and you'll have a fabulous home in this secluded in-city location, surrounded by more expensive homes. Spacious entry, formal living and dining rooms, kitchen overlooking the rear yard and adjoins the family room - three fireplaces, sitting area off of a grand master bedroom. 4 bedrooms including the master up, plus office or 5th bedroom and bonus room. Virtually no traffic on this private road. Estate sale, being sold in "AS IS" condition.
