About the property

Lovely and spacious 1924 built home, completely renovated in 2011. Beautiful wood floors throughout the main and upper levels. Mt. Baker view from a top floor bedroom. Kitchen with a large eating area that overlooks the gorgeous rear yard. Two full bathrooms and one bedroom on the main level, along with the living room, gas fireplace, and the dining room. Two bedrooms upstairs and a fully finished basement with a third full bathroom and the fourth bedroom, could easily be an ADU. Charming front porch, rear patio, mature plantings, and a 1-car detached garage. Fantastic location, close to downtown, Madrona shops and cafes, and several bus lines.

4,550 SF Lot
Built 1924
Renovated 2011
One car detached garage
Backs to community garden
Walking distance to parks and schools
