You'll love the secluded feel, combined with abundant natural light, in this sweet craftsman style home with contemporary convenience. An excellent layout with the kitchen, large office, living room (with a fireplace), dining room, and powder room on the main level. The upstairs includes 3 bedrooms, 2 bathrooms, and a laundry room. Appreciate the large front porch, private rear yard, beautiful landscaping, and detached garage on the alley - providing level access. Perfect in-city location - short walk to shopping and cafes at 23rd & Union, Garfield High, and Madrona.
