Serenity in Seward Park!

Charm filled 1924 built home in a romantic setting! Main level includes three bedrooms, the full bath, the kitchen with a center butcher-block island, tile floors and a breakfast nook, the dining room, and the living room with a gas burning fireplace and access to the rear deck and yard. Wood floors cover most of the main floor. Lower level basement with tall ceilings and the family or rec. room. The yard is glorious with mature landscaping. 2-car carport and a very quiet location. Updated plumbing and electrical systems!
