

943 22nd Avenue East - Capitol Hill

6 BD 4.5 BA 7140 SF 12960 SF Lot Asking \$4,850,000

Exquisite 1909 craftsman jewel sits gracefully above the street on two beautifully landscaped city lots in one of Seattle's most desired neighborhoods. The architecturally unique home was designed for a timber baron and the home boasts numerous original finishes, including Quezal Art glass chandeliers, an elaborately carved wooden newel post at the bottom of the main staircase and the stylized coat of arms in the leaded glass window. Light filled rooms on the second and third floors offer lovely views of Lake Washington and the Cascades. Renovations in 2002 included the kitchen, adding the mud room, re-wiring and re-plumbing. A detached 2-car garage and parking for a 3rd car on the alley. Enjoy lasting memories in this timeless classic!
